MESSAGE FROM THE NATIONAL EXECUTIVE ON CORONAVIRUS (COVID – 19)

Greetings of grace to you all

In the face of the current Coronavirus (COVID – 19) pandemic, the National Executive wishes to communicate the following to the entire fellowship:

1. All members are to comply with the President of the Republic of Ghana's directive until further notice. This means all Church gatherings are suspended forthwith for the next four (4) weeks.
2. All Educational Institutions of The Apostolic Church - Ghana are also to be closed down and remain closed until further notice.
3. Every individual must observe high personal hygiene and social distance protocols as was stated in our earlier circular No. **TAC/Com/GS10-01A/Cong/Vol.1/19/02 dated 13th March, 2020.**
4. We must all intensify personal prayer and avoid fear and panic. The current situation demands that we do not waver in our faith but rather look unto Jesus who is the author and finisher of our faith.
5. Further directives will be given by the National Executive of the Church soon on how to keep our spiritual fellowship in these trying times.
